

It's the 2005 running of the...

# ***Gay Sands RallyCross!***

**December 10th 2005**

**Proceeds Go To Support The Otter Lake Volunteer Fire Dept.**

**What is it?** Cars compete one at a time on a twisty course on the snow and ice on the Gay stamp sands. The course emphasizes driver skill rather than outright speed. Anybody with a car in good condition that passes our tech inspection and a valid driver's license may enter. Snell approved helmets are required, but loaners are typically available at the event.

Registration starts at 11:30 in the Gay Bar in Gay, MI. Drivers meeting is at 12:30pm, cars start shortly after that.
